### About

#### Orangutan Foundation International

Established in 1986 by world-renown primatologist Dr. Biruté Mary Galdikas, OFI is a US-based, nonprofit organization that relies on supporters to continue its important work of safeguarding endangered orangutans in Borneo.

OFI has protected more than 1.5 million acres of rainforest habitat and saved hundreds of captive and orphaned orangutans from death or a dire life in captivity—giving them a second chance to grow up and be free. Their work includes:

- Rescue, rehabilitation, and return to the wild
- Habitat protection, acquisition, & restoration
- Conservation outreach, education, & research
