Established in 1986 by Dr. Biruté Mary Galdikas, Orangutan Foundation International is a 501(c)(3) nonprofit charity that relies on supporters to continue its important work of protecting endangered wild orangutans.

We care about conservation *and* animal welfare, and have protected thousands of acres of habitat and saved hundreds of captive and orphaned orangutans from a dire life in captivity—*giving them a second chance to grow up and be free again.*

Our work includes:

- Rescue, rehabilitation and repatriation
- Habitat protection, acquisition and restoration
- Conservation outreach, education, advocacy and research

Let this be your legacy

Including OFI in your estate plans

Helping Orangutans Even When You No Longer Share Their World

Our mission. Orangutan Foundation International (OFI) supports the conservation, protection, and understanding of orangutans and their rain forest habitat while caring for ex-captive orangutan orphans as they make their way back to the forest. OFI is dedicated to ensuring the survival of biologically-viable orangutan populations in the wild and safeguarding the welfare of orangutans wherever they are found.

Including OFI in your estate plans is a special way you can continue to improve their world. Your gift will provide long-term support to ensure the continuing operation of our organization.

You can designate OFI as a:

- Direct beneficiary of specific assets within your estate;
- General beneficiary of a portion or percentage of your estate; or
- Contingent beneficiary of assets designated for loved ones, should they not survive you.

Orangutan Foundation International offers this information as a courtesy to caring individuals. Please contact your attorney for assistance in preparing and executing your estate plans to carry out your wishes.

There are many ways to support OFI through estate planning

Outright bequest

You may bequeath cash, securities, jewelry, or any other personal property to OFI. Non-cash assets will generally be converted to cash.

Devise of real estate

You can bequeath real estate, land, or buildings to OFI. As a general principle, any real estate bequeathed to OFI will be converted to cash.

Beneficiary designation

You can name OFI as the beneficiary of a life insurance policy or bank account.

Trust beneficiary

You can name OFI as either the beneficiary of the income from a trust or beneficiary of a trust at its termination.

Save the rainforest. Save orangutans.
